Essays

Institutions do not require all four essays. See “General Application Information” to determine if you are required to write an essay or essays as part of your application for admission. Unless otherwise specified, your essay(s) should be typed and be no longer than one page (8 1/2” x 11”). Please put your name and Social Security number at the top of each page.

Topic A.

Describe a setting in which you have collaborated or interacted with people whose experiences and/or beliefs differ from yours. Address your initial feelings, and how those feelings were or were not changed by this experience.

Topic B.

Describe a circumstance, obstacle or conflict in your life, and the skills and resources you used to resolve it. Did it change you? If so, how?

Topic C.

Considering your lifetime goals, discuss how your current and future academic and extra-curricular activities might help you achieve your goals.

Topic D.

The essay in this section is specific to certain institutions and majors. It is not required by most colleges/universities that accept the ApplyTexas Application. Please see the “General Application Information.”

Personal interaction with objects, images and spaces can be so powerful as to change the way one thinks about particular issues or topics. For your intended area of study (architecture, art history, design, studio art, visual art studies/art education), describe an experience where instruction in that area or your personal interaction with an object, image or space effected type of change in your thinking. What did you do to act upon your new thinking and what have you done to prepare yourself for further study in this area?

Application Fee

Application fees are listed in the “General Application Information.” Include the student’s name and Application ID number on your check or money order. Check the website of the institution(s) to which you are applying to see if credit card payment of the application fee is also accepted. Students with financial need should check with their high school counselor or the institution(s) to which they are applying for information concerning a possible waiver of the application fee (i.e., college application fee waiver).
